Pricing for the Nine Lanterns CloudNine Application Packs have two components – Support and Server. The pricing for all options are below. Combine the plans from each component to calculate the annual cost of your CloudNine Application Pack.

Support Plan Annual Pricing

	Plan A 2hr / month	Plan B 3hr / month	Plan C 4hr / month
Application Support Plan	\$3,500 pa	\$5,000 pa	\$6,400 pa
Minimum Support – 1 applications, i.e LMS or CAS	✓		
Minimum Support – 2 applications, i.e. LMS & CAS		✓	
Minimum Support – 3 applications, i.e. LMS, CAS and CP			✓

Server Plan Annual Pricing

Servers for CloudNine Applications are reliable, redundant and secure.

CloudNine Server Plan	Drive (Gb)	RAM (Mb)	Bandwidth month (Gb)	Cost annum
Plan A	10	512	10	\$2,995 pa
Plan B	20	768	20	\$4,995 pa
Plan C	40	1024	30	\$7,995 pa

† Based on a course with 3Mb of content accessed non-concurrently per user per month

Excess

Should your monthly usage exceed your chosen plan, additional support and server capacity is billed at the following rates:

Additional Capacity	Cost month
Excess Support Rate per hour	\$100.00 - \$150.00 ‡
RAM per gigabyte	\$100.00
Hard Drive Capacity per gigabyte	\$6.00
Bandwidth per gigabyte	\$6.00

‡ Discounts apply for server plans B & C and for purchasing more than one application pack. Rates are per hour.

Configuration, Customisation & Installation
